TERMS & CONDITIONS OF PURCHASE ORDERS – PASTA LENSI

1. OFFER & ACCEPTANCE. These General Terms and Conditions (Terms and Conditions) govern the future business relationship between Pasta Lenzi s.r.l. (Buyer) and the Seller (Seller) and especially every Purchase Order present or future. The Purchase Order is an offer from the Buyer, which can be accepted by the Seller exclusively without any additions, deletions or other modifications. Any provision of Seller's documents accepting or relating to the Purchase Order which is different from, or additional to, the Terms and Conditions, irrespective of materiality, is objected to in advance and shall be rejected and excluded from the contract resulting from the Purchase Order, unless Buyer expressly agrees in writing to its inclusion in the contract. ACCORDINGLY, IF THE PURCHASE ORDER OR THE TERMS AND CONDITIONS ARE NOT ACCEPTABLE TO SELLER EXACTLY AS WRITTEN, THEY SHOULD BE SPECIFICALLY REJECTED BY THE SELLER AND THEY WILL NOT HAVE EFFECT BETWEEN THE PARTIES. The delivery to Buyer of the goods, products, articles or services (all of which shall be referred to hereinafter as the "Goods") covered by the Purchase Order constitutes, if these Terms and Conditions have not already been accepted separately, acceptance of the Terms and Conditions by Seller. By acceptance, expressed in every way and even implicitly through delivery, Seller agrees to fully comply with the Terms and Conditions.

2. WARRANTIES. Seller warrants to Buyer, its successors, assigns, customers and ultimate users of Buyer's products:

(a) **GENERAL.** That the Goods, including packaging, will: (a) conform to the descriptions, drawings, specifications and standards of Buyer, (b) be of good material, quality, design and workmanship, (c) free from defects (or if services, will be performed in a competent manner in accordance with Buyer's directions), (d) will be safe and fit for the ordinary purposes for which the Goods are used and for which Buyer intends; will be merchantable and pass without objection in the trade; will run without variation and be of even kind, quality and quantity within each unit and among all units; and will comply with all federal, state, municipal and local laws, rules regulations, ordinances and directions existing at the time of delivery, and (e) not impart any unintended flavor, odor, or color, and that any color additives used, to the extent required by law, are from batches certified in accordance with the applicable regulations promulgated under European and State Laws as well as, if applicable to the Seller, the U.S. Federal Food, Drug and Cosmetic Act.

(b) **TITLE; INFRINGEMENT.** That the title conveyed to Buyer shall be good and merchantable and its transfer rightful; that the Goods will be delivered free of any security interest, lien or encumbrance; and that the Goods delivered will not infringe, or contributorily infringe, or otherwise conflict with any patent, copyright, trademark, trade name or trade dress of another and will not violate the trade secret rights of another. The foregoing warranties shall be in addition to any implied warranties and any express warranties (whether created by an affirmation, promise, description or sample) given by Seller, shall govern in the case of conflict with said implied or express warranties, shall survive delivery or performance, and shall not be deemed waived either by reason of Buyer's acceptance of the Goods, or by payment for them.

(c) **SAFETY.** Seller must tell Buyer immediately if Seller learn of any potential quality, safety or labeling problem with the Goods supplied by Seller or any potential violation of Seller's obligations contained herein. Seller hereby assigns to Buyer any warranties related to the Goods, or if Seller cannot assign them, Seller agrees to make claims under them on Buyer's behalf at Buyer's request. Seller will ensure that Seller's employees, and agents and subcontractors comply with these Terms and Conditions, and, when on Buyer's premises, Buyer's safety and security requirements.

3. PRICE; TAXES. The prices shall include all charges for packaging, crating and transportation to destination unless designated otherwise. The prices for the Goods are not less favorable than the prices charged by Seller to its most favored customers at time of shipment, or during the term of the Purchase Order, for like Goods, taking into account any quantity discount. If no price is specified in the Purchase Order the Goods shall be billed at the price last quoted to Buyer or the prevailing market price, whichever is lower. No charge in addition to the prices will be allowed without the prior written consent of Buyer. Any tax, tariff or duty, which is imposed upon Seller by any governmental authority, is included by Seller in the prices and shall be separately itemized on Seller's invoice(s).

4. INVOICE; DISCOUNTS. Seller shall issue a separate invoice (in duplicate) for each shipment made against the Purchase Order. Each invoice must contain the Purchase Order Number, Buyer's Parts Number(s), if any, and quantities. Buyer shall receive Seller's standard or negotiated discount whether or not the discount is shown on Seller's invoice. Unless freight and other charges, where applicable, are itemized, discount will be applied to full invoice amount. The case discount period, if any, begins on the later of: the date of receipt of Seller's invoice; the date of receipt of the Goods; or the date any corrected invoice is received by Buyer. Buyer may withhold disputed amounts until the dispute is resolved, and Buyer may offset any amounts Seller or its affiliates owe Buyer.

5. PACKAGING & SHIPPING. All shipping containers shall be packed and packaged to (i) insure safe arrival at the specified destination; (ii) secure the lowest transportation costs; and (iii) comply with the requirements of common carriers. Each shipping container must be marked clearly to show the Purchase Order Number, Buyer's Parts Number(s), if any, and the quantity of the Goods in such container, and an itemized packing list showing all such information must be packed with the Goods. Buyer's count of the shipped Goods shall be conclusive. Buyer will not be responsible for deliveries, which do not correspond to a valid Purchase Order Number. If Seller is required to use a means of transportation more costly than the lowest cost means to meet said delivery date(s), Seller shall bear the additional cost, unless otherwise agreed in writing by the parties. Seller will properly label all units with Seller's name, description of Goods, PO number, and any other identifying information Buyer requires. You will provide accurate and complete information on all shipping and customs documents, including a description of the Goods, country of origin and manufacture, currency, and delivery terms.

6. DELIVERY. All deliveries are DAP. The locations are designated on the Purchase Order, unless otherwise agreed in writing by Buyer. In every circumstance, all risk of loss shall remain with Seller until the Goods have actually been received and accepted by Buyer. TIME IS OF THE ESSENCE WITH RESPECT TO ALL PROVISIONS OF THE TERMS AND CONDITIONS. The Goods must be received by Buyer not later than the specified delivery date(s). Buyer has the unconditional right to reject, without liability, any Goods received later than the specified delivery date(s). In the event Seller's timely performance is delayed or threatened by any actual or potential labor dispute, Seller shall immediately notify Buyer of all relevant information with respect to such dispute.

7. INSPECTION; RESCISSION. Buyer shall have the right to inspect and test the Goods offered prior to delivery and at the time and place of delivery. Buyer may reject, or revoke its acceptance of, all or any part of the Goods that do not conform to the Terms and Conditions. Rejected or revoked Goods will be held at Seller's risk and expense for not more than 30 days pending Seller's reasonable instructions and, if Seller so instructs, will be returned at Seller's risk and expense. Rejected or revoked Goods remaining in Buyer's possession after said 30 day period may be sold for Seller's account, destroyed or otherwise disposed of by Buyer at Seller's expense. Acceptance of certain Goods by Buyer shall not be deemed a waiver of Buyer's right to revoke said acceptance, reject or revoke future shipments of non-conforming Goods, seek indemnification hereunder, or cancel the Purchase Order. In no event shall payment for the Goods be deemed to constitute Buyer's acceptance thereof or to prejudice any other rights or claims of Buyer. Seller shall remit to Buyer that portion, if any, of the price paid by Buyer for any rejected or revoked Goods together with all transportation charges relating thereto.

8. CHANGES. Unless otherwise provided on the Purchase Order, Buyer shall have the right at any time before delivery of all the Goods to make changes in quantities, in drawings and specifications, in delivery schedules, and in methods of shipment and packaging. If such changes cause an increase or decrease in prices or in the time required for performance, Seller shall promptly notify Buyer and an equitable adjustment may be made. Changes shall not be binding on Buyer unless evidenced by a change order issued and signed by an authorized representative of Buyer.

9. FORCE MAJEURE. Buyer may delay delivery and/or acceptance occasioned by causes beyond its control.

10. CONFIDENTIALITY; NONDISCLOSURE. In the course of performing their obligations under this Agreement, the parties may disclose to each other confidential and proprietary information regarding the party's processes, products, business plans, and other confidential matters. The parties agree that they will not disclose to any third parties such confidential information received from the other party or use the other party's confidential information to its own benefit except in connection with performing under this Agreement or any PO issued thereunder. The prohibition against disclosure of the other party's confidential information to any third party does not apply to (a) information that was known or otherwise available to a party before disclosure by the other party; (b) information that a party to this Agreement authorizes in writing to be released; (c) information is or becomes publicly available other than as a result of a disclosure by the receiving party in violation of this Agreement; (d) information that is or becomes available to the receiving party on a no confidential basis from a source (other than the disclosing party) which is not prohibited from disclosing such information to the receiving party by a legal, contractual or fiduciary obligation; (e) information is developed by the receiving party independently of the confidential information of the disclosing party.

11. BUYER'S PROPERTY. If, in the performance of the Purchase Order, Buyer ships to Seller's plant or otherwise places in Seller's control or custody any property of Buyer for repair, inspection or any other reason, Seller assumes all responsibility for loss of or damage to Buyer's property when in Seller's control or custody and agrees to carry adequate insurance for such loss or damage.

12. INDEMNITY; INSURANCE. Seller shall defend, indemnify and hold harmless Buyer, its affiliated companies, and its and their directors, officers and employees, against all damages, liabilities, claims, losses and expenses, including without limitation attorney's fees, loss of production time and lost profits, arising out of, or resulting in any way from: any defect in the Goods, any breach of the Terms and Conditions or any expressed or implied warranty, or any negligent act or omission of Seller or of its agents or contractors. Seller agrees to maintain such commercial general liability insurance (including products and completed operations liability, contractual liability and protective liability), automobile liability insurance and workers' compensation insurance and employers' liability insurance in amounts reasonably acceptable to Buyer, as will adequately protect Buyer against such damages, liabilities, claims, losses and expenses, and will ensure Buyer is named as an additional insured. Seller agrees to submit certificates of insurance evidencing such insurance coverage when requested by Buyer.

13. REMEDIES; WAIVER. Buyer shall have all rights and remedies specified in the Purchase Order in addition to those specified in the Italian Civil Code, the right to set off and any other remedy allowed by law. All such rights and remedies are cumulative. Buyer's waiver of, or failure to exercise any applicable right or remedy in response to, a breach of the Terms and Conditions by Seller shall not constitute a waiver of any subsequent breach of the same provision or any other provisions of the Purchase Order. No right or remedy of Buyer shall be deemed to have been waived unless such waiver is supported by consideration and is in writing signed by Buyer.

14. CANCELLATION; TERMINATION. In addition to its other rights hereunder, Buyer reserves the right to cancel the Purchase Order or any part hereof at any time on notice to Seller if Seller breaches any of the Terms and Conditions including, without limitation, Seller's failure to meet the specified delivery dates or delivery of any non-conforming Goods. Buyer also reserves the right to terminate the Purchase Order or any part hereof for the sole convenience of Buyer. Seller shall immediately stop all work hereunder, and shall immediately cause any of its suppliers or subcontractors to cease such work, and Seller shall be paid a reasonable termination fee consisting of a percentage of the order price reflecting the percentage of the work performed prior to the notice of termination.
